Autism & Asperger's Keys to the Treasure Chest Conference
 DoubleTree International Plaza Hotel, Toronto, ON - April 24th & 25th, 2006

Featuring Dr. Tony Attwood & Dr. Jed Baker
 With Special Guests, New York Times bestselling author David Kirby and
 17yr. old Taylor Cross, co-director of documentary film, *"Normal People Scare Me"*

Why is this conference the most important & rewarding event of 2006?

- **Dr. Tony Attwood:** World renowned, this will be his first appearance in Canada of 2006 where he will be speaking on "Encouraging Social Understanding and Emotion Management".
- **David Kirby:** First appearance ever in Canada, New York Times bestselling and award winning author will be speaking on "Evidence of Harm: Mercury in Vaccines and the Autism Epidemic, A Medical Controversy".
- **Dr. Jed Baker:** International ASD expert and Director of the Social Skills Training Project will present his course on "Social Skills Training and Frustration Management Strategies".
- **Taylor Cross:** Join the 17yr. old talented young filmmaker with autism, for the screening of his Documentary on autism called "Normal People Scare Me" produced by Joey Travolta.

From Last Years Conference: *"At first I thought the conference was too expensive but I was wrong. The information I took away was more valuable than I could have imagined, the information was priceless!"*

"Great conference for teachers, psychologists, parents, occupational therapists, social workers, behavioral specialists, doctors, and special ed aides."
